GOLDEN TIDE MEETS RAMBLING RAMS FOR '37 GRIDIRON TILT

JOINT RALLY CLIMAXES PRE-GAME ACTIVITIES OF GOLDEN TIDE AND RAMS

Radio Station KGGC Broadcasts Rally Program Which Will Feature Student Talent From Both Schools

Tonight at 8:00 p. m. in Roberts Stadium, San Francisco Junior College and San Francisco State College will combine forces in a joint rally sponsored to arouse enthusiasm for the football encounter between the two colleges on Friday evening, October 8, at 8 p.m. on the same field.

NO RALLY FRIDAY

The rally which will be broadcast over State KGGC will consist of many stunts, musical entertainments, speeches, and yells, which will feature students and organizations from both State and San Francisco Junior College.

State's head yell leader reports that "there will be no rally Friday noon before the game."

Opening evening's entertainment will be selections by State's Swing Band, followed by joint yells. Coach Hal Harden of San Francisco State and Coach Russ Sweet of San Francisco Jaysee will each give speeches.

KGGC BROADCASTS

At 8:15 p. m. KGGC will begin broadcasting the rally and the first number will be a State yell, followed by selections by the Swing Band, and a yell by the Junior College.

Announcements of importance to students will be made preceding a song by Helen Cox. W. J. J. Smith, student body president of San Francisco State, will give a short speech and introduce the San Francisco Jaysee yell leader who will in turn introduce a Junior College singer,

TICKETS FOR J. C. TRIP GO ON SALE

Tickets for the Sacramento Excursion will go on sale Friday, October 8, in a special booth which will be provided for that purpose in the main corridor of college hall. Unless 200 tickets are sold, the trip will not be made.

Southern Pacific Railroad Company will provide two stripped cars to carry State delegates to the Sacramento Junior College game on Friday, Nov. 5. This train will leave San Francisco at 4 p. m. and return about 3 a. m.

Committee in charge of excursion plans has made extensive provisions for various forms of amusement aboard train, both going and coming. Dancing to music of State's 35-piece band will provide a part of the entertainment.

Representatives from Sacramento, led by John Gowan, student president, and members of the local Chamber of Commerce, will escort the San Francisco delegates through Sacramento. An entire cafeteria will be at the disposal of State rooters, and busses will transport them to and from the game.

Following the game, a rally and dance honoring the State delegation will be held in the Sacramento Junior College gymnasium.

Entire squad of yell leaders, consisting of Hal Delma, Vernon Rees, Frances Twohig, Vern Ouelette, and Audrey Stewart, have been appointed by Bud Decker to assist him in the preparation of student stunts and entertainment.

ALPHA GAMMA GIVES GAME DANCE

Staters were today asked by Bill Rose, chairman of the Alpha Phi Gamma post-game dance, to buy their tickets for Friday night's dance at the college, and not wait to purchase them at the door.

"A large number of S. F. J. C. students are planning to attend, and with this influx I am afraid the box office is going to be swamped," Rose stated. "I hope those students who are sure of going will help us by getting their tickets early."

Cardinet Candy Co. notified the dance committee today that a box of 500 bars of candy would be sent to the fraternity to be given away at the door. The committee is still trying to arrange with local tobacco agencies for free cigarettes.

Tuesday a large number of tickets were taken by Jaysee student leaders to be sold to Ram supporters. This materially lessens the number available to Staters. A limit of 400 admissions has been set in order not to over-crowd the gymnasium.

Lee Scarlett's eight-piece orchestra and vocalist will supply the music. Scarlett indicated that his music would include many slow ballads, the student body seeming to have shown a preference for this type of dance music.

Juniors Map Prom

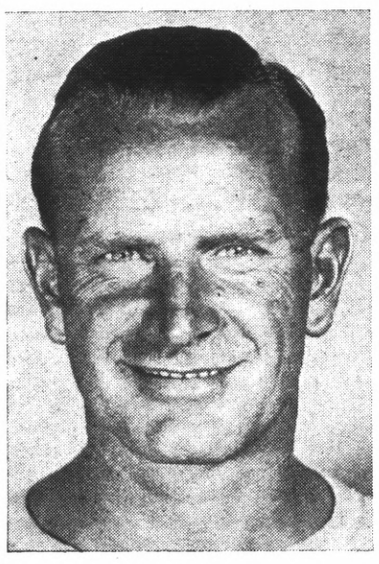

Fairmont Terrace Plunge was chosen by the Junior classes at their joint meeting last week for the site of the Junior Prom.

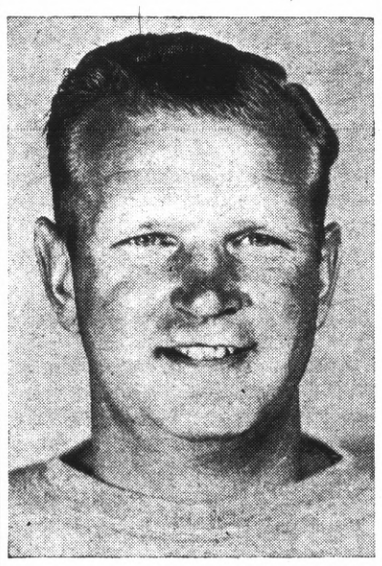

Prom will be held on the night of the Big Game, November 20, as it was last year. Bids will be $1.50 during the first two weeks of sale.

Following this until the night of the game, bids will be $1.75, and at the door $2.50.

An unusually enthusiastic crowd is expected by Roy Laugesen, high junior president.

Tide Leaders

BUT WRITER SCHWASS SNEERS; CALLS RAM OLD GOAT; POINTS OUT STATE'S UPSET LAST YEAR

By FRANK SCHWASS

In spite of blaring headlines, packed stands, and hysterical outbursts of fanatical coaches, I cannot generate any enthusiasm either real or artificial over the forthcoming football game with the San Francisco Junior College Rams.

As far as I am concerned, the much-vaunted Ram is an old goat whose potentialities concern only those who are foolish enough to stand to windward.

TIDE FOOLS "EXPERTS" ABOUT TOWN

Last year the football experts on all the big dailies predicted an overwhelming Jaysee victory. The fact that we tagged a 2-0 defeat on this pet of the prophets casts no glory over our school. To have as our most deadly rival a combination high-school and pseudo-college is a joke which should be stifled before it becomes an institution.

When the Gaters meet the Jaysee outfit tomorrow night on what's left of the turf of Roberts Field, the contest should be regarded as being a practice game rather than a fight to the death between two deadly rivals.

FASSLER, GUEDET MAY ANNOY GATER

However, insofar as pre-game data must be disbursed to a palpitating public, some facts annent the strength of both teams would not be amiss. The Rams have a well-balanced, though inexperienced eleven. The Jaysee line averages one eighty-two and their backfield, one-seventy. Little Johnny Verducci, one hundred and forty pounds of quarterback, will probably star in Ram speed plays and will be sprung into

New Club Formed

Election of officers will be the main business conducted by members of the newly-formed pre-nursing club in the activities room Tuesday, Oct. 12, at noon. A constitutional committee will be appointed to draw up a constitution to be submitted to the executive board for approval.

Ruth Kearns will act as chairman of this first meeting and Dr. Edna Barney will be the club's sponsor.

A. W. S. Mass Meeting

On October 28 the Associated Women Students are holding a Mass Meeting in the gymnasium at 7:30. Lois Ahrens has been appointed chairman of the committee in charge of the affair, and is making plans for some unique entertainment for the evening. It is probable that there will be an inexpensive dinner in the school Co-op given for the girls who live across the bay or other distant places and will not be able to go home before the meeting.

EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

Cheers for the State Band

Last week's football game had plenty of color. And that marching band of Mr. Ernst provided a big part of it! Plaudits and plugs for the band that did such good work!

Tomorrow's game promises to have an even better organization, and even better stunts. That big marching band certainly makes half-time something more than a period to converse with your neighbor and munch hot dogs.

And that brings this editorial to the point where Bill Rose says:

"The minutes of the Executive Board's meeting on September 27 record that a suggestion was made to send the State band to Sacramento when the Gater football team and rooters move into the Capital City.

"By all means the student body should send the band to accompany the rest of the Purple and Gold invaders! If this student body is to charter a special train for an excursion, send two or three hundred students to support the team, stage a parade up K Street in Sacramento, and in general make a big night of it, we should do the thing up right by having our own band with us.

"The men and women of that particular musical organization spend a great deal of time practising, marching, and preparing intricate stunts for the entertainment of the fans at our home games. Sending them on the excursion would partly reward them for their efforts to give State this fine band. LET'S SEND THAT BAND TO SACRAMENTO!"

New Club Is Considered

Formation of the new "Militarist" Club, Spur and Sabre, seems to have caused considerable comment among active student groups on the campus, and support and damnation of the proposed organization run rampant with equal ferocity.

The editor of the Golden Gater is not prepared, as yet, to take sides on the issue.

At its last meeting, the executive board appointed a committee to investigate the club, its proposed activities, and its constitution. This committee includes the editor of the Golden Gater, Vernon Rees, William Zech, and Hal Delma.

Reports of this committee's progress and findings in the matter of an organization which has as its purpose " . . . fostering of good will toward the USROTC on the campus of San Francisco State College . . ." will be made public from time to time.

The committee will hold several hearings which will be open to anyone who desires to speak for or against the club. Those who are interested in presenting their views may arrange for the opportunity by contacting box 240.

Issues involved in the discussions of this proposed club, to date have centered around the possible tie-up between this organization and agitation for ROTC on the campus.

Very few facts are available as yet, and the prime purpose of the committee is to uncover as much information as possible, which will come to the student body through editorials.

Sacramento Excursion

November 5 is a good date to remember. On that day a good part of the student body will hie itself to Sacramento to witness a football game. For those who have the time and the $2.50, the trip should be a fine one.

This excursion is something more than just a pleasure trip, because on November 5 we meet the Sacramento J. C. for the first time, and the team will need a lot of moral support. By being there, in the grandstands, you can help the team to make a showing.

Bud Decker, the chairman of the excursion, has gone to some little trouble in making preparations to make it as enjoyable as possible. The program he has arranged is very extensive, and those who participate will certainly know that they have been on a trip! Just for fun, read the story on the front page, and then buy a ticket.

Chamberlin's Tripe

Picked up by friend Haas was this "Essay on Man" . . . Don't know where it came from . . . but here it is:

• • •

"Man is what woman marries.

"Man has two feet, two hands, and sometimes two wives, but never more than one collar button or one idea at a time.

"Generally speaking, any man may be put into any one of these classes—namely: husband, widowers, and bachelors. The last-named class is but a temporary state, for the man in question soon becomes a member of either one of the first two classes. This is due largely to the peculiarity of the species known as inconstancy.

• • •

"Husbands are of three varieties: prizes, surprizes, and consolation prizes.

"There is also the bobby, but he is found to be one of the lesser members of the second type.

"Bachelors are of two kinds: The eligible and the blind date. The latter is generally found to be a mass of obstinacy entirely surrounded with suspicion and completely covered with an air of indifference. The former may be recognized by his blue roadster.

"Making a husband out of a man is one of the highest arts known to civilization requiring science, sculpture, mathematics, psychology, physical culture, common sense, faith, hope, and charity — mostly charity.

• • •

"Certain observations have been made concerning man, the frequency of which has led them to be considered a very exemplary species —for instance, if you flatter a man it frightens him to death and if you don't you bore him to the same end. If you are popular with other men he's jealous, and if you are not he hesitates about taking up a wallflower.

"If you are the clinging vine type, he wonders if you have a brain, if you are the independent type, he wonders if you have a heart, and if you are happily midway between the two he wonders if you can cook.

* * *

"If he does take you out and you decide to have a fling at being silly he tells you he longs for a brilliant mate; if on the other hand, you can tell him a thing or two about Plato, you will find that he longs for a playmate.

"If you let him make love to you he gets tired of you in the end and if you don't he gets tired of you in the beginning.

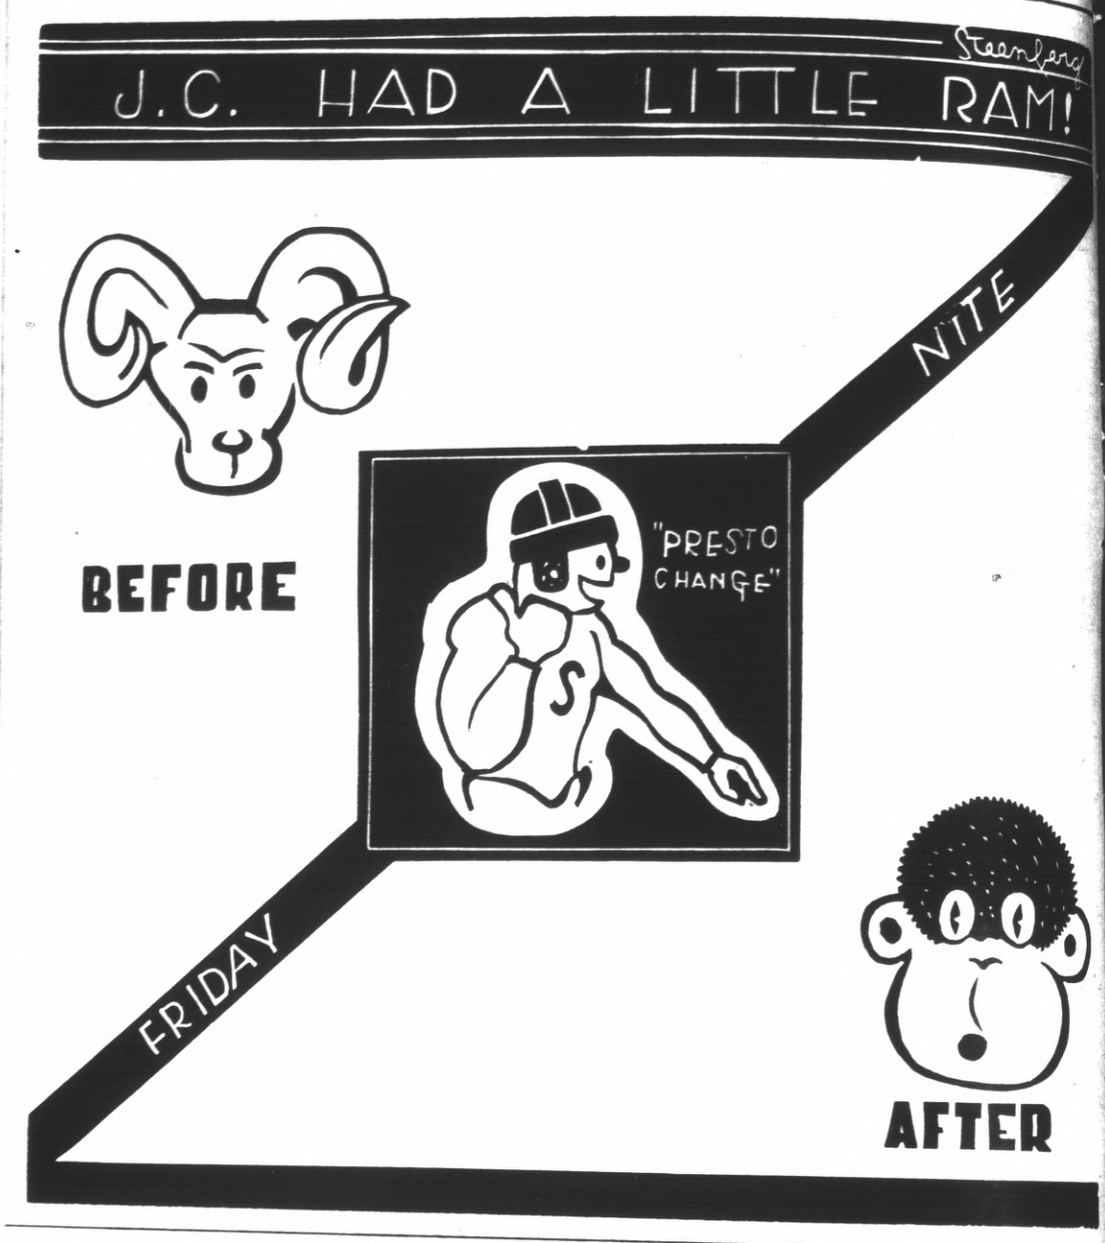

"If you wear red nail polish, rouge and a rakish hat, he hesitates to take you out, but if you wear a little blue hat and no nail polish, he takes you out and proceeds to stare at a woman wearing red nail polish, rouge and a rakish hat.

* * *

"In conclusion: Man, the beast, may not respond readily to the chromesomes of your make-up, and Man, the individual, may try to relieve you of it. Still, with the aid of a moon and other things . . . well, try it sometime . . . or have you?"

CINCH BUG BLUES

By ALMARIE PORTEOUS

The cinch bug will get you if you don't watch out! So you better be on your toes this week 'cause you don't want to be one of those poor unfortunates who goes to his post box next Monday morning and finds, much to his chagrin, a little neatly folded white notice, stating that so-and-so is doing very poorly in his work.

Cinches, for the benefit of you new students in the lower division, are notices issued by the registrar's office at the end of the first six-weeks' period, giving the student an idea as to just what his standing is in his class work. Only those below a C receive these warnings, which are considered very helpful to the students, 'cause after they get a notice, if they do, they can take advantage of the situation by doing some very fast make-up work, and if they're wise, they'll get out of the red and back into the black. Upper Divisioners get theirs later!

So with these few words of so-called wisdom, we leave you, and sincerely hope that YOU are not unlucky enough to be on the registrar's calling list next Monday morning.

GOLDEN TIDE ALL SET; J.C. READY TO AVENGE LAST YEAR'S 2 TO 0 UPSET

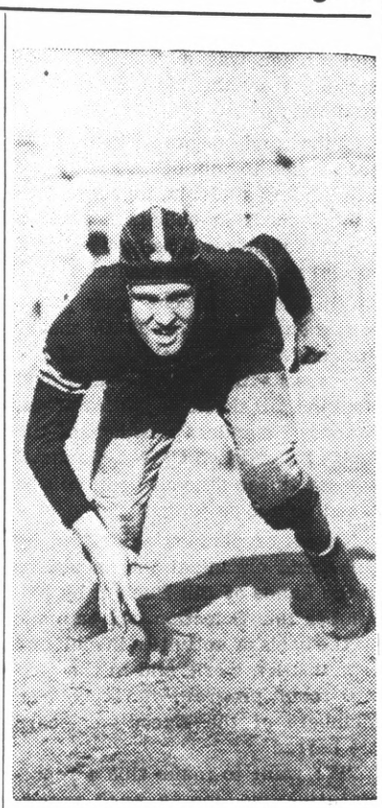

BILL HARKNESS

Bill Harkness, ex-Captain of the State varsity, who will see lots of action against the Junior College tomorrow nite. He will be depended upon for his kicking and passing abilities.

AL GOMEZ

Pictured above is Al Gomez, sensational Freshman star, who will occupy the position of left half when the Gaters meet the Rams in Roberts Stadium Friday nite. Gomez leads the field in the piling up of yardage with a total of 192 yards to his credit to date.

HAL BESEMAN

Captaining the team and playing the tough position of left tackle are the two jobs that Hal Beseman finds himself confronted with. He is out to lead his team to victory tomorrow nite against the Cable-Car Characters. (J. C.)

Yeager Lines Up Boxing Schedule

With boxing going along in such fine style, it is certain that the new varsity sport will be a success this semester at State.

For the 20 fellows who have responded to the call of the gloves, an extensive program is being planned. S. F. J. C., U. S. F. Frosh and San Mateo J. C. will probably be on State's schedule while Manager Carl Yeager is contacting for other matches.

Several local colleges have already started on a boxing program and are starting in collegiate competition immediately. The new equipment secured by Dan Farmer, which includes a new ring, punching bags, mat, and a number of boxing gloves, should be a great help to the team.

To avoid interferring with football, the boxing show which was set for Nov. 3, has been postponed to the week following the State-Linfield game. These bouts will determine the positions of the boxers in the different weights in regards to their status on the team.

Those students who have not as yet signed up for the team may still do so by signing up in the gym on Tuesday or Thursday. Those who are intending to do so should report immediately as co-coaches Paiva and Schwartz must make out a training schedule.

"Buy a Pom-Pom," Beseeches W. A. A.

The old, "hell hath no fury——," wheeze becomes startlingly apparent when the members of the WAA are seen dashing about the halls mainly trying to sell pom-pons to an indifferent student body. A pom-pon is a bunch of paper on a stick and when taken to football games by fair young things and enthusiastically agitated over the head, adds a dash of color to the otherwise drab surroundings.

NO RESPONSE

The WAA is sponsoring a pom-pon selling program with the end in view of having the State rooting section consist of a mass of purple and gold color. The general student body has not responded to this laudable endeavor, however, and the women's association is beginning to wonder just where all the "school spirit" which they read about in the papers, hides.

Everyone is urged to buy one of these visible indications of a loyal school spirit and purchase a pom-pon for the game tomorrow night. They may be secured from any WAA member for twenty cents, no sales tax.

Jewelers Award 'Yardage' Trophy

State's fast stepping Al Gomez, by ripping off 103 yds. in the Chico game took the lead for the Granat Bros. trophy, from Charlie Iago.

The trophy, awarded by Granat Bros. Jewelry Co., will go to the State varsity backfield man who piles up the most yardage during the current season. As a result of his stellar work in the Chico contest, Gomez is far out in front of his nearest competitor, Charlie Iago. Gomez, running from a half back post instead of his regular full back spot, added 103 yards to bring his season total to 192 yards.

Noon Footballers Tie Opener, 6-6

By DAVE SCHUTZ

Scoring late in the first half, the Rover Boys managed to tie the Block "S" intramural gridders 6-6, in the first game of the season Tuesday noon on the Upper Field.

A pass from Homer Irwin to Ed Hegarty featured the attack which equalized the score after the Block wearers had tossed a short pass early in the contest for the first touchdown in the tournament.

Both teams showed strength on defense and are figured as being hard to beat in coming league battles. Starring for the Block "S" were George Mirande, Ronnie English, who intercepted two passes, Ed and Frank Collins, and Hal Thompson.

GAME TODAY

The second game of the season will be played on the Upper Field today at noon when Weeke's men meet thet Bears in another Division I battle. Tomorrow marks the conclusion of the first week of play when the Campus Characters tackle Farmer's Gnomes.

Louie Glavich has been selected as head referee for all the games during the tournament which will close with the finals on Nov. 23.

Because of the length of the tournament, a round robin semi-final will be impossible. Instead, the winners in each of the three divisions will flip and the lucky team will draw a bye, automatically gaining the final round; the other two will meet in the semi-finals to determine which shall play for the Purple and Gold ribbons.

NEXT WEEK'S SKED

So teams will know in advance when they are to play, the schedule for next week is printed: Monday, Fischer's Fighters vs. Bone Crushers; Tuesday, Golden Gaters vs. Ramblers; Thursday, Has-Beens vs. Remains; Friday, Rover Boys vs. Purple Shirts.

Games will continue to start at 12:10 so that those competing will have time to take showers before classes. Squads are implored to be ready to play by the above time.

A. M. S. Rally To Be Held In Annex B2; Acts and Eats

With plans for a joint dance with the A. W. S. getting under way, the first of a series of weekly meetings of the Associated Men Students will be held this morning at 11 o'clock in Annex B2. This meeting will be one of a series of get-togethers which are to be held every week for the remainder of the semester, according to Daryl Hopkins, president of the A. M. S.

Questioned concerning the smoker that is usually given for the men students by the A. M. S., Daryl replied that the date has not as yet been decided upon, and that plans on the subject are very indefinite. He also declared that due to the financial losses sustained by previous outside dances, it was not likely that one would be held this term. He maintained that the faculty restrictions of two outside dances per semester because of the above mentioned facts, was also a big obstacle.

For entertainment at these meetings, Daryl announced that he has outlined a program which he feels will have a very favorable response. A large number of outside entertainers have been contacted who will appear at these weekly meetings, affording an abundance and variety of entertainment that will surpass anything that has ever been given before. There will also be the usual refreshments which have characterized these meetings in the past. All men students are urged to attend this morning's meeting in Annex B2.

SOME GUYS ARE LIKE THAT!

"Congratulations, Dan, on your splendid victory. I'm sorry we were defeated, but I would rather lose to you than to anyone else!" . . . Coach Dan Farmer has been waiting four years to hear that statement from Art Acker, Chico mentor, who is Dan's former tutor. . . . The opportunity for Acker to issue a statement of congratulations came last Friday nite after the Gaters defeated the Wildcats 13 to 12 . . . but Acker did the vanishing act shortly after the final gun went off. . . . Apparently the Chico coach was ashamed to lose! . . . Whatever the case may be, it is the poorest brand of sportsmanship ever displayed! . . . Acker has always had the reputation of being a poor loser, but this incident tops it off. . . . Farmer was hit pretty hard by this lack of sportsmanship and friendliness on the part of Acker, his heart sunk lower and lower as the minutes passed after the final gun sounded. . . . He had idolized his ex-teacher and to have him pull a trick like that was sure hard to take. . . . To you, Coach Art Acker of Chico State College, we say, "When the One Great Scorer comes to write against your name, He writes not that you won or lost but HOW YOU PLAYED THE GAME" . . . and also remember, Acker, it takes a man to coach men! . . .

WE PLAY J. C. . . . SO WHAT?

Friday nite the Purple and Gold gridders will tangle with the J. C. Rams. . . . Last season we handed them a 2-0 defeat so this year, with the same attitude of cockiness and conceit they figure we are due for a trimming. . . . Let them rave! . . . Why all this huulaballoo about the Junior College as our greatest rival? We should consider ourselves above the status of a JUNIOR college both physically and mentally and it is high time that we think this situation over and decide to discontinue all affiliations with our inferiors. . . . San Francisco State is progressing! This can be seen by our steady increase in enrollment each semester; it can be seen by the bigger and better athletic teams the College is turning out; this can be seen by the fact that the various departments in the school have become more popular and are working together better. . . . Every place you turn you can see that State is not standing still, so why should we let ourselves be dragged down into the mire by a bunch of parasites? . . . It's all right to play the JUNIOR college, but put it in a form of a breather, let's don't build it up into a Big Game idea! . . . What if we beat J. C.? The mere fact that we have beaten the Powel St. Orphanage isn't anything to brag about! . . . And if we lose to them, so what? we've got less to brag about! . . . What do you think? My box number is 106. . . . Further comment regarding this serious situation will be published in this column later. . .

TODAY'S THOUGHT

"Every old maid," says Joe Campus, "feels that the world owes her a loving!"

MUCH PUBLICIZED RIVALRY BETWEEN TWO SCHOOLS PROVIDES ADDED ZEST

the open if the opportunity affords. Headman Russ Sweet of the Powell Street asylum has a triple threater in Allen McDonald, half, upon whom he will rely to handle the punting department. Bill Fassler, all-city star from Mission Hi, and Joe Guedet, All-J. C.-Conference end, may be a slight thorn in the side of the Gaters. The Rams are expected to rely upon an aerial attack against the tide but are not expected to score through this department because of the improved Tide pass defense.

The orphans from cable-car canyon have defeated the Mariners from Marin J. C. by two tallies and labor under the laudable, if mistaken, impression that they can repeat against a greatly improved Purple and Gold outfit.

HARKNESS-GOMEZ START

Co-Coaches Dan Farmer and Hal Harden will probably start the Harkness-Gomez combine in the backfield with either Bud Chandler or Charley Iago in the right-half spot. Either Dick Osborne or Red Thompson will call the plays for the Gater squad. Giles Daniels will probably occupy the pivot position flanked by Glavich and Kauer. Either Art Jarl, sensational freshman tackle, or Hook Hanrahan, veteran linesman, will hold down the right-tackle job and it is expected that Captain Hal Beseman will play practically the entire game at left-tackle. Runar Stone, ace pass-snagger for the Gaters, and Frank Jackson, stellar wingman, will flank the Gater line.

THREE MEN INJURED

With the Purple and Gold reverses working for long gains and new pass combines being unearthed at each game it is predicted here that State should win by two touchdowns. Injuries may hinder the Gater scoring spree. Bud Chandler is suffering from a cleat-cut and both Charley Iago and Frank Jackson have injuries which are liable to keep them from playing any length of time.

The game, in spite of its unimportance insofar as Gater prestige is concerned, is expected to draw in excess of six thousand spectators. With noisy rooting sections, bands, pom-poms, and other "big-game" paraphernalia cluttering up the sidelines, the event should be colorful at least. The Rams are out for blood because of last year's debacle and the Gaters are out to prove that beating a bunch of lusty adolescents is a commonplace easy to repeat.

The trophy case is still to be completed. Mr. Mirande will continue supervision until finished.

Mr. Delma announced the J. C. Rally program running smoothly. However, a contract having been signed previously for the use of Roberts Field on the same night, October 7, the rally may have to be changed from Thursday to Wednesday night. Mr. Delma is attempting an arrangement.

The sticker campaign, as reported by Miss Bolander, is still to be considered at the next A.W.S. meeting.

Mr. Mirande gave a Treasurer's Report, which will be repeated and given more fully next meeting.

Mr. Black reported that the Frosh dance will be a closed dance, to be held in the Music Room on October 16th.

Mr. Ed. Smith reported no progress as yet on the matter of bleachers for rallies, etc.

President Smith spoke of the parking problem investigation by Mr. Black which was referred to him. A request to enforce diagonal parking on Buchanan between Haight and Herman Streets, was sent to Chief of Police Quinn, pending a reply in the future.

There was a short discussion on Executive Board party arrangements.

Mr. Black was appointed to assist Mr. Morris on the Co-op Committee. The board will back Mr. Morris in bringing pressure to bear on the Co-op for their advertisements in the Franciscan.

Mr. Decker reported that tickets for the Sacramento excursion will soon be on sale.

OLD BUSINESS

Students other than the Executive Board will be asked to fill in hours not yet signed up on the Student Body Office Schedule.

Mr. Rose, representing Delta Sigma, presented the Forensic Club's Budget as requested.

There being no objections, the sum of fifty-seven dollars and eighty-two cents ($57.82) was granted Delta Sigma for debate expenses, this action having been recommended by the committee appointed to investigate the matter.

Mr. Rose expressed his appreciation to the board for the action taken.

Mr. Zech, Mr. Mirande, Mr. Ed Smith, and President Smith, will confer and report next meeting their decision on sending the band to Sacramento.

Mr. Stechelokoff, as pointed out by Mr. Rees, was to have received at a previous term, a medal for four years of football service. Mr. Rees and Mr. Decker were asked to investigate the matter.

There being no further business, the meeting was adjourned at 8:15.

Respectfully submitted.

CO-ED'S CORNER

By CAROL CROUCH

Audrey Stewart is the little blonde with the excess energy and the shapely legs who does somersaults and flip-flops up and down the field with Frances Twohig between halves at games. Peppy, yes, but with her friends she is quiet, almost solemn. She is mentally and physically alert, ready to enjoy herself, still fully aware of responsibilities. We appreciate her talents and enjoy her company.

Fashions may come and fashions may go, but suits go on forever. That's an old slogan of San Francisco women, and here at State we are evidenttly typical San Franciscans. Anyway, suits are very much in evidence as fall rolls round again.

All colors are being worn, but if a new one is in the offing, black seems to be agreed upon as this year's choice. A bright blouse with matching accessories will make last year's suit look like a new outfit, and can't be beat for style.

We hate to tell you this, but we understand that the Dean of Upper Division used to write (brace yourself) rip-snortin', blood-and-thunder thrillers for those Western magazines. Yessir, it's true.

Bakersfield has claimed last term's A. W. S. president, Dottie Jean White. She has a teaching position there, and from what we hear is doing a good job of it, too.

Can any of you girls sing bass? There's still an opening in Madrigal Singers for one.

"Deadline for senior picture sign-ups will be tomorrow noon," was the announcement made by the Franciscan editors today. Sign-ups must be made between 3 and 4:30 p.m. today, and between 10 and 12 tomorrow in the Franciscan office, Annex A-5.

Pictures will be taken by Mr. J. H. Doherty of the Fisher studios. Notices of appointments will be placed in the mailboxes of all high and low seniors who have made the necessary arrangements with the annual editors for photos.
